

Ulises Cabrera Wins Global Brand Ambassador Award at Alliot Global Alliance Worldwide Conference in Vietnam

Ulises Cabrera is proud to have won the Global Award in the Brand Ambassador category at the Alliot Global Alliance (AGA) Annual Awards Ceremony, held recently during AGA's Worldwide Conference in Ho Chi Minh City, Vietnam.

As AGA's independent legal representative in the Dominican Republic, Ulises Cabrera is honored to be recognized by one of the largest and fastest-growing global multidisciplinary alliances, comprising over 225 law and accounting member firms across 340 offices in some 100 countries.

AGA's annual awards celebrate excellence within its membership, particularly those achievements that align with the alliance's broader mission and goals and this prestigious award honors firms that have shown exceptional dedication to embracing the AGA brand and advocating for its merits externally. Nominees must have demonstrated a strong commitment to integrating the AGA brand, aligning with its values, and/or actively promoting AGA's benefits within the broader community and industry. Firms were also asked to provide specific examples of successful brand integration or impactful advocacy, showcasing their significant contribution to the AGA community.

Ulises Cabrera was recognized for our team's unwavering energy and commitment to advancing the alliance's mission and expanding its regional influence. Our representatives were praised for promoting AGA at international conferences and identifying prospective members who align with AGA's values. Ulises Cabrera's leadership team has also demonstrated a strong commitment to knowledge sharing and collaboration, actively participating in the region's advisory committee and leading sessions at conferences and online events. Additionally, we are delighted to have set the standard for brand integration, incorporating AGA's presence across our marketing, including a dedicated "Global Reach" section on our website and active promotion on LinkedIn, Instagram, and YouTube, ensuring visibility at every client touchpoint.

Managing Partner José Cruz Campillo was in Vietnam to accept the award and commented:

"I'm truly honored and humbled to receive this award on behalf of Ulises Cabrera and our incredible team. This recognition is a testament to our dedication and the power of collaboration. By staying true to AGA's values and integrating its brand into everything we do, we continue to drive growth, build connections, and create meaningful impact both within and beyond our region."
